

Investor Pitch Deck: Baati Chokha Mumbai

Presenter: Anshu Sachan

1. Vision & Concept

Authentic Purvanchal Flavors in Mumbai

Baati Chokha Mumbai brings the rustic taste of Purvanchal to Mumbai, offering traditional Baati Chokha in a village-style dining setting that reflects rural India's charm.

Immersive Cultural Dining Experience

The restaurant features native UP and Bihar cooks, rustic interiors with mud-finish walls, charpoys, and lanterns, creating an authentic ambiance appealing to migrant communities and food lovers.

2. Market Opportunity & Location

Significant Migrant Population from UP & Bihar

Mumbai hosts over 10 lakh migrants from Uttar Pradesh and Bihar, forming a substantial community familiar with authentic regional cuisine.

Scarcity of Authentic Baati Chokha Options

Current dining options for Baati Chokha in Mumbai are limited to street vendors, lacking consistent traditional taste and dining experience.

Growing Demand for Regional and Experiential Dining

Consumers increasingly seek authentic, culturally rich dining experiences that offer connection to heritage and ambiance.

Strategic Location in Andheri East

Andheri East offers affordable rents, dense migrant and office populations, and excellent connectivity, ideal for launching the restaurant.

3. Unique Selling Proposition (USP)

4. Business Model & Operations

Revenue Distribution

The business model generates 70% of revenue from dine-in customers and 30% from delivery services via platforms like Zomato and Swiggy, targeting Mumbai's diverse population.

Average Customer Spend

The average ticket size is ₹200, reflecting affordable pricing aligned with the target market, offering Baati Chokha thalis priced between ₹180 and ₹250.

Sales Target for Year One

The goal is to serve 100 to 120 plates daily in the first year, driving steady revenue and capitalizing on demand from Mumbai's migrant communities.

5. Financial Overview

- **Initial Setup Cost :** The total initial setup cost is estimated at ₹7 lakh, covering interiors, kitchen equipment, décor, and licenses essential for the village-style dining experience.
- **Monthly Operating Expenses :** Monthly expenses total ₹4.35 lakh, including rent, staff salaries, inventory, utilities, and marketing, with a focus on efficient inventory and staffing management.
- **Revenue Potential :** Projected monthly revenue is ₹6 lakh from serving 100 plates daily at ₹200 each, with a gross profit margin of approximately 30%.
- **Profitability Outlook :** Expected monthly net profit ranges from ₹1.5 to ₹1.7 lakh, aiming to break even within 6–8 months and prepare for scaling and franchising opportunities.

6. Break-even & Growth Strategy

Break-even Timeline

The restaurant aims to achieve break-even within 6 to 8 months, ensuring rapid financial sustainability.

Geographic Expansion Plans

Expansion will target key suburban markets including Bandra, Powai, and Navi Mumbai to scale operations.

Franchise Model Potential

Post two years, a franchise model will be developed to accelerate brand presence and revenue growth across Mumbai.

7. Investment Ask & Returns

Investment Requirement

Seeking ₹15 lakh to cover initial setup and 6-month working capital for smooth launch operations.

Equity and Returns

Offering 20% equity stake in the first outlet with projected annual ROI of 40–45% after Year 1.

8. Marketing & Team

Influencer Collaborations and Cultural Launch

Partnering with Mumbai food influencers and hosting a UP-Bihar themed launch event to create authentic buzz and immersive experiences.

Digital Promotions and Social Media Engagement

Leveraging Zomato and Swiggy promotions alongside active social media campaigns to boost visibility and customer engagement.
